**Doug Reinhardt out with a "mysterious blonde"**

From one blonde to the next: Reality star **Doug Reinhardt** was spotted lunching with a new blond lady friend -- his mom! Doug and his mother, Kelly Roberts, dined out on June 9 at Fred Segal's in West Hollywood.

"Everyone thought it was a new girlfriend or mystery lady," an eyewitness tells Life & Style.

Since his recent split with blond bombshell Paris Hilton, Doug's been since linked to Miss World USA Lane Lindell.
