## Move Over Kardashian's! The Reinhardt's Are Coming To Town!

When **MJ** met up with ~~Paris Hilton's "My New Ex-BF"~~ **Doug Reinhardt** at The SoHo House in New York City, he gave [MicahJesse.com](http://MicahJesse.com) the lowdown on his forthcoming E! reality show, "The Reinhardt's: Family Comes First." (The show is in pilot form, and not picked up yet).

However — Doug tells MJ that the show is all about *transitions*!

You'll see his little sister, **Casey Reinhardt**, who just graduated from college, moving in with Doug in Los Angeles. Doug has a sneaky suspicion that his currently clean-cut sis is on the verge of breaking out — so be on the lookout for "**Lil' Miss Reinhardt**" (MJ dubbed it!) at a club near you!

He also told MJ that Casey has a crush on Doug's business partner (and believes it to be mutual). So, because Doug is always on the road, he said he has to "lay down some rules." Daddy figure? "Exactly," Doug told MJ.

The most poignant part about the show will be Doug's transition, he assured us, saying "you'll see me grow from a married old man to a single bachelor."

Is that how **Paris** made you feel, Doug? *Good thing it's over, then!*

So what happened between Doug and Paris? He assures us that his mother, **Kelly Reinhardt**, played a role. He says his "eccentric" mom, who calls him all day long and is his "biggest fan," wants the best for him. Doug added, "if she sees me dating someone she doesn't like, she will straight up tell me it's no good." But it wasn't all his mother's doings, though. He said, "I finally started to see the light with some of the things she was doing... it wasn't good."

### So what kind of girl is Doug looking for now?

"Someone who is educated, nice, and someone who will treat me with respect... Just someone who is down to earth and likes to have fun. No drama."

Heads up, girls! *Haute* new bachelor in town!
